The Friends of the Medal of Honor Grove maintains the 40+ acre natural woodland situated on the Freedoms Foundation campus in Valley Forge, PA. This serene site serves as a living memorial to over 3500 recipients of the Medal of Honor, our nation's highest military decoration. The Grove is designated a Level One Arboretum by ArbNet and as Open Space under Natural Lands Trust.

Within the Grove, there are 54 obelisks: one for each state, Puerto Rico, the District of Columbia, a Chaplains memorial and the Ancient Order of Hibernians Memorial. Each obelisk or memorial pays homage to their own Medal of Honor recipients with their name engraved on it. Each recipient also is honored with a stainless-steel ground plaque listing their name, military affiliation and the date and location of their remarkable act of valor within their state's area.

All proceeds to benefit:

a 501(c)3 nonprofit organization

# SPONSORSHIP LEVELS

The Friends of the Medal of Honor Grove need your help to keep this memorial in the honorable condition it is. Our mission is steadfast: to preserve and uphold the legacy of these extraordinary individuals by maintaining this hallowed ground and ensuring that their stories are never forgotten. However, our endeavors can only be sustained through the generous support and contributions from individuals and organizations who share our reverence for these heroes.

As we strive to honor the valorous actions of Medal of Honor recipients, we seek partners like you who understand the significance of this cause. Your sponsorship will directly aid in the upkeep, preservation, and enhancement of the Grove, allowing us to continue our educational programs, maintain the grounds, and perpetuate the legacy of these distinguished individuals for generations to come.
