# About the Grove

Nestled in the wooded hills in Valley Forge, Pennsylvania, the Medal of Honor Grove is the oldest living tribute to the more than 3,500 individuals who have received our nation's highest military honor. Spanning 42 acres, this peaceful space invites visitors to explore the stories of our nation's heroes along a self-guided, four-mile pathway. The Grove is stewarded by the **Friends of the Medal of Honor Grove**, an organization dedicated to honoring sacrifice and preserving history. We are proud to call the campus of **Founding Forward** our home. **Founding Forward's** focus on hands-on learning and historical understanding complements our efforts to maintain the Grove as a place of remembrance and a living classroom. Through this partnership, we strive to amplify our collective impact, ensuring that the stories of courage and sacrifice continue to educate, engage, and inspire.
